Summary

Resilient and dedicated young professional with a passion for technology and education. Overcame challenges by independently assisting students, leading awareness campaigns, and pursuing personal projects. Eager to contribute skills in web development and app creation to a dynamic team. Despite facing challenges, I remain committed to my educational and professional pursuits. I transformed setbacks into opportunities by supporting fellow students, driving awareness campaigns, and honing my web and app development skills. My dedication and resilience drive me to continually learn and contribute meaningfully to innovative projects.
